“Sister and Brother”

She sees
Her brother in big trouble this time,
Trouble too big for her.
Will sister run?
Or stay?

She feels
The frantic knot in her stomach,
Worry seems hard to her.
She wants to go
Away.

She thinks
Of the time she felt lost and scared,
Problems too big for her.
Did brother run?
Or stay?

She smiles
As she remembers her brother,
Guardian helping her.
Making sure she was
Okay.

She laughs
Realizing there’s no question!
Sisters lucky as her
Help their brothers
Come what may.
